

# Vaaka Partners is recruiting future investment professionals to intern positions in 2024-2025

**Vaaka Partners is looking for students to join our team as interns. The internships are fixed four-month positions for summer 2024, autumn 2024 and spring 2025.**

## **The Analyst Intern position**

- A unique opportunity to work in one of the leading lower mid-market private equity investment companies in the Nordics
- You will be a valuable member of our case teams contributing to all phases of the investment process
- You will participate in meetings with portfolio and target company founders and management, industrial advisors, and other business champions – not just desktop work
- Your tasks will give you a broad introduction to private equity, through e.g. screening of potential new investment ideas, industry and financial analyses and LBO model work
- Competitive compensation

## **What we are looking for**

- Interest towards the private equity industry and willingness to develop your skills in the field
- Completed internship(s) in e.g. management consulting, investment banking, M&A, private equity, start-ups or other relevant fields
- 2+ years of studies with excellent academic results
- Good communication and teamwork skills with proficiency in Finnish and English
- Solid analytical skills and ability to solve problems independently
- Entrepreneurial attitude and drive

## **To apply**

- Send your CV and cover letter with academic transcripts and preferred timing of the internship through the [link](#) by **September 22<sup>nd</sup>**
