

Vaaka Partners is recruiting future investment professionals to intern positions

Vaaka Partners is looking for students to join our team as interns in 2023. The exact duration and timing of the internship will be agreed upon together.

The Analyst Intern position

- A unique opportunity to work in one of the leading lower mid-market private equity investment companies in the Nordics
- You will be a valuable member of our case teams contributing to all phases of the investment process
- You will participate in meetings with portfolio and target company founders and management, industrial advisors, and other business champions – not just desktop work
- Your tasks will give you a broad introduction to private equity, through e.g. screening of potential new investment ideas, industry and financial analyses and LBO model work
- Competitive compensation

What we are looking for

- Interest towards the private equity industry and willingness to develop your skills in the field
- Completed internship in e.g. management consulting, investment banking, M&A, private equity, start-up or other relevant experience
- 2+ years of studies with excellent academic background
- Good communication and teamwork skills with proficiency in English and Finnish
- Solid analytical skills and ability to solve problems independently
- Entrepreneurial attitude and drive

To apply

- Send your CV and cover letter with academic transcripts and preferred timing of the internship through the [link](#) by **October 3rd**
- For further information, you can reach out to Philip Kaustinen (+358 50 354 6723) and visit www.vaakapartners.fi
